Dear Sir

Bicycles Prohibited Signage – Burton Street Mall, Vincentia

Shoalhaven City Council has received requests relating to the removal of cyclists within Burton Street Mall, Vincentia. The assessment determined that the current layout, low speed environment, and visibility constraints within Burton Street Mall do not support the safe movement of bicycles. To mitigate this issue, it has been proposed to implement "Bicycles Prohibited" (R6-10-3) signage restrictions across the full site and from the northern and southern property boundaries. Please refer to the attached plan for further details.

At this stage, Council would like to hear your opinion regarding this proposal. It would be greatly appreciated if your comments could be received by **2 February 2026**. Comments can be forwarded to Council's Chief Executive Officer (CEO) via council@shoalhaven.nsw.gov.au.

If you need further information about this matter, please contact Adrian Vaquera, City Services on 1300 293 111. Please quote Council's reference 6664e (D25/597261).

Yours faithfully

Adrian Vaquera
Civil Engineer
